HARTFORD FIRE INSURANCE OFFICE.

THE recent destruction fire in New York
will of course excite solicitude in regard to
the safety of the property of insurance companies
in this city and the solvency of insurance companies
in other parts of the country. The Hartford Fire In
surance Company, however, has no such fears. It
pays to assure their customers and the pub
lic that they are prepared to adjust and pay at any
or surplus funds and cannot receive receipts without
paying without withdrawing receipts without
payments. Their capital remains ample for the
city of all who require with them, and the
owners of desirable property to obtain Pol
icy on the best terms both at this Home Office
at their several Agencies. Their mode of op
erating business, which for 35 years past has
earned the public confidence will remain unchan
ged.

By order of the Board of Directors,
JAMES G. BOLLES, Sec'y

Those desiring fire Insurance in this city and vi
cinity will please apply to
